

## EXTEND YOUR BENEFITS SAFETY NET AROUND THE WORLD

New research highlights a startling gap in the insurance marketplace: most of the **80 million Americans** that travel internationally each year expect their employer health insurance to cover them abroad, but many group plans don't—*leaving traveling employees dissatisfied and at risk in case of illness or injury.\**

With supplemental travel medical insurance from IMG, employers can close the coverage gap by offering benefits that are easy for companies to administer, simple for members to navigate, and affordable for both.
